	City Council Concept Review					
	<p>After pre-application review, the applicant will present the development concept to City Council at a Study Session and receive informal feedback.</p> <p>Concept Plan review is required for all projects not subject to administrative review. Technical review submittal shall not be accepted until after this step has been completed.</p> <p>🕒 Additional 6-7 weeks</p>					

Additional Steps After Development Review

1) Create and record a final plat with the Engineering Division.

2) Apply for building permits and land disturbance permit.

3) ODP Inspections

- Make a phone call once building construction, private improvements, and landscaping are complete to schedule an ODP inspection.
- If corrections are needed, further ODP inspections may be necessary.
- If changes are made in the field that are not shown on the ODP, an ODP amendment may be required (go back to Step 2) and a certificate of occupancy will not be issued.
