Subject: Second Reading of Councillor's Bill No. 26 Re: Vacating a Portion of the Craft Street Right-of-Way Within the Federalview Subdivision

Prepared By: Nathan Enck, PE; Senior Civil Engineer

Recommended City Council Action:

Pass Councillor's Bill No. 26 on second reading vacating a portion of the Craft Street right-of-way within the Federalview Subdivision.

Summary Statement:

- The vacation of a portion of the 60-foot radius, half cul-de-sac at the eastern terminus of the Craft Street right-of-way within the Federalview Subdivision (ROW Parcel), is requested due to the elimination of the need for the cul-de-sac as a result of the subdivision's commercial/industry layout.
- The owner of Lot 42 within the Federalview Subdivision has requested the vacation of the unnecessary ROW Parcel in order to relocate an existing fence to a logical alignment along the existing roadway.
- The current vacant land located between the existing fence along the perimeter of Lot 42 and the existing roadway is a dumping area that requires frequent maintenance.
- City Council unanimously passed Councillor's Bill No. 26 on first reading by a vote of (7 to 0) on April 24, 2023.
